OPINION OF COUNSEL

[LETTERHEAD OF JONES HALL]

We have acted as Counsel to the City of Sunnyvale (the "City") in connection with the City's removal of property from that certain Facility Lease, dated as of March 1, 1998, between the Redevelopment Agency of the City of Sunnyvale (the "Agency") and the City (the "Facility Lease"). In that connection, I have reviewed such resolutions, legal descriptions, amendments to the Facility Lease and certifications of City officials as I deem necessary to render this opinion.

Section 2.06(b)(3) of the Facility Lease requires that in order for such removal to be effective, the City shall deliver to the Agency and the Trustee an Opinion of Counsel to the effect that the amendments to the Facility Lease contemplating removal have been duly authorized, executed and delivered, and constitute the valid and binding obligation of the City and the Agency, enforceable in accordance with their terms.

In my opinion, the Second Amendment to Facility Lease, dated as of July 1, 2005, between the City and the Agency, has been duly authorized, executed and delivered, and constitutes the valid and binding obligation of the City and the Agency, enforceable in accordance with its terms.
